Work Experience:

FLT & REACH truck driver, HR GO Recruitment, MMP Warehouse Deeside

(01/11/2017 to present)

Taking delivery of goods delivered into warehouse, and ensure that goods are checked off in an accurate and timely manner, checking for any damage and correct quantities. Sorting and place materials in designated areas within stores, ensure that forklift are used in an appropriate manner and mandatory checks. Preparing shipment and moving products using hand scanners. Keeping correct pace and Health and Safety manners.

FLT operator & farm operative, Baileys Sealand

Farm (04/2017 to 31/10/2017)

Mainly I worked as flt driver at coldstore and dispatch, unloadnig and loading pallets and dolavs, preparing dispatch documentation and booking transport to factory. I was using forks extensions and rotatory forks attachments.

Goods Inward, Vital People, Ancon Building Products,

Deeside (09/2016 to 04/2017)

My duties were focused on unloading and loading wagons, putting goods off on racking, checking paperwork and goods, sorting and feeding production lines (pallets and wire coils). Also I was responsible for Health and Safety, keeping goods in order on racking, rubbish and sorting stillages, wire, waste and pallets. Also I provided cover in factory dispatch and production areas where required and stock up production pallet and box areas.

Process Operator, Vital People, Knauf Insulation Ltd,

Queensferry (05/2016 to 08/2016)

I used to recycle products from production line using long fork (1,8m) lift truck, load recycled bales on HGV using clamp truck, transporting, stocking and loading finished products using double adjustable forks lift truck,

Assembly Operator, Gap Personnel, Ifor Williams Trailers Ltd,

Deeside (04/2016 to 05/2016)

I used to manually prepare parts to assembly line using power and pneumatic tools (drills, spammers, rivet) and I in my duties were constructing horseboxes, stage supply and stage quality check.

Hygiene Operative, Gap Personnel, Creative Foods, Flint (01.2016 to 04.2016)

Disassembling and assembling food factory machines. Taking care of hygiene in busy food factory environment. I finished basic COSHH training there.

Forest Officer, Zakład Usług Lesnych Andrzej Kuprewicz, Barszczowa Góra, 16-302 Nowinka (2013 to 31.12.2015)

I used to manage harvesting trees near power lines and high traffic roads in Inspectorate Suwałki. Also supervising on planting and harvesting processes, leading teams in forest hygiene tasks, vast quality checking, managing Health and Safety and planning further works.

Intern, Suwałki Forest Inspectorate, 16-400 Suwałki, Poland (11.2011 to 11.2012)

Education:

Uniwersytet Rolniczy im. Hugona Kollataja w Krakowie, Kraków

2005 to 2011
